

**CLOSET ORGANIZER RINGS**

**Closet Organizer Rings**

A helpful tool to organize your closet and then, stay that way!

Use these patterns on a heavy cardstock or cardboard. Cut just inside of the lines. Label them with the clothing categories of your choice. For example, slacks, jeans, shirts, skirts, etc. It is a good idea to separate suits into pieces. Finally, group the sections by color. (Note on printing: Page Scaling should be set to “none”)
